

Central Board Minutes  
Sept. 30, 1954

The meeting was called to order in the President's office by Don Chaney. Minutes were read and corrected as follows:

Faculty committees: Social Standards, Pat Eyer.

#### RECREATION FACILITIES

President McFarland asked, "How fast do we want to move on these new facilities?" He explained that engineering plans were complete enough on the golf course and skating rink to show what can be done. He asked the board to consider which they would prefer to do first.

He asked how much students want the skating rink?

Chaney--We're a winter school and should promote winter sports.

Leuthold--Since most of the school period is during cold weather, there would be more time and opportunity to participate in a skating rink.

Lambros and Bachman--We do need a golf course, but in view of other considerations, perhaps the skating rink should come first.

The President explained that the administration was not yet ready on the pool.

Briggs asked if the administration would be willing to proceed from the rink to the golf course, and the President assured him that for a number of reasons the administration does plan to proceed with the golf course.

The President said we could have the skating rink now, and be skating by Christmas. Present plans call for laying out half a hockey rink, which can be doubled later, and building a warming house. He also explained the working processes involved in freezing and drainage. Admittance charges were discussed and nominal charges were suggested, such as a \$1 a quarter, since the money for the project is being loaned in part by ASMSU. The board was asked if it would like to give the interest, about \$1,200, as a subsidy and let the students skate free, but members felt that they would prefer to have a minimum fee, and collect the interest. The rink will cost about \$50,000 at a minimum, and the president proposes to use \$30,000 of the \$40,000 loan from ASMSU to finance the rink.

Chaney called for a show of hands on the preference of the skating rink first, it passed 8-1, with Abbott voting no. Gaughan was appointed to the committee.

#### FACULTY ACTIVITY CARDS

At the ASMSU president's request, Pres. McFarland appointed faculty members Andy Cogswell, and Dean Wunderlich to work with Budget and Finance committee on the proposal for faculty activity cards.

#### FRESHMAN ELECTIONS

Petitions for the freshman class elections will be out Monday. They will be due Friday, Oct. 22, at 4 p.m. in the Student Union business office. The primary will be held Tuesday, Oct. 26, with final elections set for Tuesday, Nov. 2. Scheduling was in accordance with constitutional provisions.

#### TRADITIONS BOARD CHAIRMAN

Traditions Board chairman Dick Dallas resigned due to financial difficulties, and Johan Miller was suggested as chairman by Chaney. The board approved unanimously. The motion was made by Gaughan, seconded by DeForth. Bachman moved that we appoint Jack Dunbar as a member of Traditions Board, seconded by Gaughan, approved unanimously.

#### ORIENTATION WEEK

O'Hare commended the class officers for their excellent Jamboree, and recommended that such a project be continued. She also reported that the hall parties for freshmen not going through rush were successful, as were the

bell painting, convocation, and mixers. Leuthold reported a possible profit of about \$69 on the mixers.

O'Hare read the social calendar for fall quarter.

There being no further business, the meeting was adjourned, and Central Board members, at Pres. McFarland's invitation, were able to see a demonstration of the planetarium machinery for the Scheuch memorial.

Respectfully submitted,

*Shirley DeForth*

Shirley DeForth  
ASMSU Secretary

Present: Chaney, Pfohl, O'Hare, Watson, Bachman, Abbott, Briggs, Gaughan, Plowman, McFarland, Zimmerman, Forman, Leuthold, Lambros, Wunderlich, DeForth.
